Alert # 5

Round 3 of Business Stabilization Grants Available

All phone lines in Helena are giving the “We are experiencing unprecedented call volume.” messaging today. I was able to get the following additional details on the additional funding for Business Stabilization Grants today to help answer inquiries that may be coming in to your offices.

- **Eligible businesses, those that received funds in rounds 1 & 2, will receive an email within a week.**
- **The amount awarded is guaranteed in the same amount as round 2 with the acknowledgement that the business comply with the new restrictions in place.**
- **There’s no application process, they will just need to accept the offer in the email.**
- **New applications will not be accepted. This is limited to the businesses that have previously been awarded grants as a result of congress not issuing new funds since March.**

A copy of the email has been requested and will be shared with the group when received.
