Advisory #62
Local Breweries Promote Vaccinations

Bozeman Brewing, MAP Brewing and Bridger Brewing have teamed up with the Gallatin Health Department to offer a beer to go with your shot!

Through May 15, MAP Brewing, Bozeman Brewing, and Bridger Brewing are offering YOU a FREE BEER when you bring in your COVID vaccine card showing that you have received at least your 1st vaccine.

The free beer is only valid at one of the breweries as we are teaming up to get things back to normal together!

Haven't received your first shot yet? No worries, appointments are readily available now. If you haven't registered to be called for an appointment yet, Gallatin County residents can sign up on the short list today at [Healthy Gallatin](#).
