### Alert #10

#### Online sign-ups for Phase 1B COVID-19 Vaccine Clinic

Sign-ups will open at 12 PM on Friday, Feb. 26. The clinic will take place on Thursday, March 4.

People who are eligible for this clinic include the following. PLEASE NOTE – If you do not qualify for these phases, your appointment will be canceled:

- People in Phase 1B – Those 70 years or older, people with certain underlying health conditions and people of color. You can find a full list of those underlying conditions here: <https://bit.ly/3jj2APT>
- People in Phase 1A – Healthcare workers, first responders, and residents and staff of long-term care facilities.

On Friday, please visit <https://www.mtreadyclinic.org> and follow these instructions:

- Click “Find a Clinic”
- Scroll down to find the **Mar. 4 clinic at the Gallatin County Fairgrounds**. *PLEASE NOTE: This clinic will NOT appear on the list at <https://www.mtreadyclinic.org> until Friday at 12 PM.*
- Click the blue button that says “Sign Up for a COVID-19 Vaccination” that is posted under the Gallatin County clinic information.
- Fill out your information.

There will be about 480 appointments available through this public sign-up link. Appointments are for people eligible in Phase 1B. They will fill up quickly!

We are also working with smaller healthcare clinics and other community organizations to get people who don’t have access to technology or need extra help signed up for about 400 additional appointments in this same clinic. The following healthcare and community organizations will have access to limited spots to sign up their clients: Bozeman Creek Family Health, Bozeman Clinic, HRDC, and Bozeman Senior Center.

We will alert you when the public appointments fill up. This is not your only chance to sign up for a vaccine appointment.

If you do not get signed up this time around, don't worry! We will offer public sign-ups regularly as vaccine supply allows, and we will announce when your next chance will be to sign up for a future clinic. And please know that online sign-ups are only one way vaccine appointments are available in our community. Other opportunities will happen as we have vaccine available.
