FHA COVID-19 Mortgage Payment Relief

As the impacts from the COVID-19 pandemic continue to ripple across our nation, an escalating foreclosure crisis among FHA-insured borrowers is reaching a cataclysmic point impacting hundreds of thousands of borrowers. The Department of Housing and Urban Development understands that many homeowners may be struggling and unable to make mortgage payments due to the COVID-19 pandemic.

FHA's special COVID-19 mortgage payment forbearance is currently available to FHA-insured borrowers. Find out more at <https://www.hud.gov/coronavirus/homeowners> and [COVID-19 Community Borrower Flyer in English and Spanish](#)
